

PSALM 23

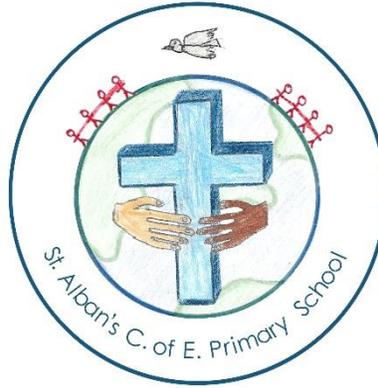

During Collective Worship, the Worship Team have been teaching the school Psalm 23. The children have loved learning about King David and looking at the deeper meaning of the Psalm.

The Psalm has inspired many children in the school. Lucy in Year 6 created at home a painting based on the Psalm, this is now proudly displayed in our office. Amelia and Ailsa (Y5) made the decision to memorise the Psalm and enjoyed reciting this to the whole school during Collective Worship.

Collective Worship

During Collective Worship the children study the Apostles Creed. For the next few weeks we are focussing on Creation. All Collective Worships are planned from the children's questions, which keep the services lively and interesting. Here are their questions that we are exploring: What was the first language? Will God come back to Earth? Where was the Garden of Eden? What was the first religion? How long did it take to create the World? How was Earth created? Why are we here? Who was the first King? Why did God create Earth?

St. Alban's Newsletter

Foundation 2 Eye Tests

On Monday 22nd May children in Foundation 2 are having their eye tests. Please return consent forms to school before this date.

ATTENDANCE CHAMPIONS

Winning class: Years 2 and 6

3rd Years FS2 & Y1

99.3%

Year 3 Fundraising

Part of our RE curriculum is learning about privileges and encouraging the children to have gratitude for what they have. For this reason the children have been fundraising for their Shakespeare experience. After all of their efforts they have raised an incredible £500. Well done children and Mrs Whyman, this is a huge achievement.

Off to the Royal Albert Hall!

Phoebe (Y6) and Ailsa (Y5) are off to the Royal Albert Hall in November. They will be playing a Jazz piece with Rotherham Music Service Orchestra. We are so proud of you both, this is going to be the experience of a life time.

Phoebe recently got through to the Young Musician of the Year Finals and received excellent feedback. She played Over the Rainbow, The Folk from the Mountain and Bare Necessities. Well done Phoebe - what an achievement!

Confirmation Service

The Year 6 Confirmation Service is on **Sunday 21st May** - 6:30pm at Holy Trinity, Wentworth.

Our School Website

Recently we have made some improvements to our school website. The 'news' section of our website has our latest blogs and important letters, including newsletters. Class pages are in the process of having a revamp and we will be launching them next half term.
