### Collective Worship

This week in collective worship we have been learning about the Trinity. The children have asked some fantastic questions and future Collective Worships will be based around their queries. These are displayed in our prayer area in the hall.

The Worship Team have been teaching the Lord's Prayer to school. Looking at the words and why Jesus taught it to his disciples?

### NSPCC Assembly

On Thursday 22nd June the NSPCC are leading a workshop with years 5 and 6. A letter has been sent regarding the content.

### Sporting Achievements

Congratulations to the year 4 rugby team after qualifying for the Rotherham Schools Final. They came 2<sup>nd</sup> overall and now go through to the South Yorkshire Games on the 5<sup>th</sup> July.

### Carmel's Spelling Bee

### wsap.academy

House Carmel hosted St Alban's first ever Spelling Bee. One child from each class represented their house. The competition was hard but all of the children were up for the challenge.

Edward and Lucy did a great job organizing the event. They wrote to the contestants, designed the game show powerpoint and led the event.

The year 6 knockout was nail biting. The contestants were given on the spot spellings to spell out to the whole school. Words such as, encyclopedia, aesthetic and persuasion. The children were not phased and House Jericho and Carmel came a joint first- earning their house 500 points.
