

SUMMER SUNSHINE

As I am writing this newsletter the sun is beating down outside and the sky is blue so I apologise if, by the time you are reading it, the clouds have returned!

Please remember that summer uniform alternatives are as follows:

FS1, FS2, Year 1 and Year 2

Black tailored shorts (not sports shorts or cycling shorts)

Red gingham dresses

Years 3, 4, 5, and 6

Black tailored shorts (not sports shorts or cycling shorts)

Red gingham dresses (no ties with dresses)

Can I also ask that you apply **sun cream** before school if the forecast is good and that **water bottles** are available in school to help keep everyone hydrated as we are

no longer able to provide pupils with cups for water.

TALENT AT ST ALBANS

House Sinai did a great job leading another 'Celebration of Talents' assembly on 10th April. They introduced the school to more of our children's special talents.

These amazing talents included: Cole playing the guitar, Leila explaining her love of ice-skating, Charlotte the skilled hockey player, Ailsa playing the bassoon and Lowri discussing her fantastic swimming skills.

Please remember that if you have a talent or an interest that you would like to share with the school then sign up and post your application in the post-box in the library.

SPORTING SUCCESS

Congratulations to all of our pupils who have been involved in representing the school recently in sporting competitions – we have had **LOTS** of success!

Please check out the website for further details including... Our gymnasts becoming South Yorkshire School Games 2018 Champions for Years 5 and 6 and now going on to represent us at the National Finals which take place next month in Stoke on Trent. Good luck!
