## Practical ways to support a child reading at red level

"I am too big," said  
Rabbit.

Continue to use pink level activities and...

- Before reading play flashcard games.
- If your child finds a word difficult segment the word for them.  
E.g. b-i-g and encourage them to blend.
- A child at this level needs to practise reading vc (vowel consonant words) for example, *am*, *it*, *is*.
