Practical ways to support a child reading at yellow level

Mum said to Meg,
"The present is for Dad.
It is not for you, Meg."

Continue to use pink and red level activities and...

- When playing flashcard games really focus on noticing the word endings for 'that, this, then, them, **they**,'
- A child at this level needs to practise reading cvc words (consonant, vowel, consonant) for example, **mum, Meg, dad, not**. They may struggle with '**present**' so ensure that you say this word when discussing the pictures.
