

WE ARE GOING TO BE ON THE TV!

Last Thursday we had an encouraging visit from Ginger Stache and her film crew, who travelled from America to meet our lovely children. It was a superb experience as we saw a real film crew operate so efficiently.

The ministry wanted to learn more about our spiritual helpdesks and the impact they've had on the children. The desks were created in 2016 to encourage children to recognise negative thoughts and mediate on positive affirmations. We want all our children to thrive and achieve their potential- the battle often starts in the mind!

We will let you know when the show will be broadcast on TBN.

FOUNDATION 1 STILL WANT YOUR UNWANTED CARDS

OSCAR'S SPONSORED SILENCE

Oscar in year 5 has kindly offered to raise money for extra playground equipment. Next Friday he is going to test his willpower by taking part in a sponsored silence. He will be silent from 9:00am-1:00pm. If you would like to sponsor Oscar then he has a sponsor sheet in his classroom.

We are very proud of the leadership qualities Oscar has demonstrated. He has noticed a problem and found a resolution -well done.
