

Music Centre Activities and Charges

Rotherham Music run a number of groups for young musicians to gain experience in ensemble playing and develop musical skills further, alongside meeting with musicians from across the Borough. All groups currently take place at Rawmarsh CLC.

Children are usually invited to a particular group by their teacher, according to playing ability, rather than age.

If you have any questions regarding Music Centre activities, please contact us at music@rotherham.gov.uk or call 01709 808232. Alternatively speak to your child's music teacher by messaging through your Eepos app.
