

MFL- French Development Plan

St Alban's CofE (Aided) Primary School

Rotherham

Introduction

Subject Leader conducted a Deep Dive in French with KS in July 2023 and here are the key findings.

All KS2 classes have had French lessons.

Children enjoy French lessons.

Some children did not know what a cognate was.

Some children think that they do not do French enough and they therefore forget what they have learned.

Way Forward

FB to teach French in all KS2 classes from September 2023.

FB to ensure the Retrieval part of the lesson is well developed to ensure children learn and remember more.

KS2 Teachers to develop their subject knowledge of French and how to teach it to KS2 children to ensure they are able to teach French to their class successfully.
