	Pedestrian Barrier		Diversion Route
			Ped Diversion Route
			Traffic Signal Phase

Notes:

This drawing may only be used for the purpose intended and only as a guide for the installation of temporary traffic management. All works are to be installed as per the standards for conducting works on carriageways in accordance with Chapter 8 of the Traffic Signs Manual and the street works code of practice.

All dimensions shown on the drawing are in meters and are not always drawn to scale so the traffic management foreman should ensure that signs are placed accordingly.
