Unit 8 - Story

Every day when Tara woke up, she got out of bed stretched her arms into the air and yawned. She looked out of her window. It was a bright day and the sun was high in the sky. "What a good day," she said to herself. "I think I will go for a very long walk."

Once she was dressed, she packed some lunch and water into her bag and set off. As she walked down the road, with a spring in her step, she saw Bob waiting at the bus stop. She stopped to talk to him. Before long she was on her way again. She crossed the river and soon found herself by the side of the deep dark woods. "I don't think I should go in there because I might get lost," she said with a shudder. Tara had never been in the woods before. "Maybe I will find some flowers for my mum."

She walked deeper and deeper into the woods and saw many flowers. "These flowers will be perfect for my mum!" she cried with glee. She bent down and picked some of the blue flowers to take home with her. Tara was very thirsty, so she drank all her water. She did not have any left. It was time to go home. She skipped along the path and sang a little song. She was glad she had visited the woods.
