"Educating for life in all its fullness."

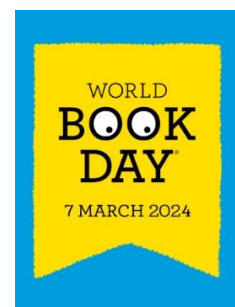

23rd February 2024

Dear Parents and Carers

On Thursday, 7th March we will be celebrating World Book Day in school.

As part of the day, your child is invited to wear a costume depicting a character from a book, which they will then showcase in a special World Book Day assembly. It would be great for the children to bring a copy of the book that has inspired their costume and be able to talk about it with their class.

During the day, each class will be reading a book that is a "Window to the world we live in". The children will then produce a poem based around the theme of that book.

At home during that week, we would like children to take part in "Extreme Reading". An activity we have run before at St. Alban's with great success. We are encouraging the children to read in an unusual place or position. A parent or carer takes a photo and sends it to school via the school email address with the subject "Extreme Reading" and they will be forwarded to me.

More information on Extreme Reading can be found on the PlanBee website:

Each child will come home with a World Book Day book token worth £1 to be redeemed in shops or online. View the books online:

"The books are an important part of the mission to promote reading for pleasure by offering every child and young person the opportunity to choose and own a book."
